

Start

Fill kettle with water

Turn on the kettle to boil water

Place a tea bag in the cup

IF the water is boiled

    Pour the boiled water into the cup

    Wait for the tea to steep (time depends on desired strength)

    IF milk or sugar is desired

        Add milk or sugar as desired

    ELSE

        Do not add milk or sugar

    Stir the tea

    Remove the tea bag

    Tea is ready to serve!

ELSE

    Wait until the water boils

    Repeat from checking if the water is boiled

End
